

MPS4200mb

OKI[®]

**A fast, full-featured, environmentally friendly
black & white MFP for desktop applications**

OKI and The Environment

- LED Technology** Long printhead life, high efficiency
- ENERGY STAR[®] Compliant** Superior energy efficiency
- 2-Sided Printing/Copying** Saves energy and resources
- Deep-Sleep Mode** Lowers power to save energy (<3W)
- Auto Power Off** Saves power during periods of non-use
- Separate Toner and Drums** Less disposable material

With the MPS4200mb, you get all the functionality, reliability and productivity features you expect from OKI®.

Highlights:

- Professional, affordable solution—print, copy, scan and fax
- Versatile and reliable
- Compact design optimizes workspace – ideal for small office or small workgroup
- Ethernet and USB connectivity standard (including walk-up USB slot)
- Fast black & white printing at up to 42 ppm, copying at up to 40 cpm¹
- Duplex (2-sided) printing/copying standard
- Multi-tasking functionality standard, enabling two tasks to be performed at once²
- Color scanning with send-to functionality
- Document management through Nuance® PaperPort®, OCR with Nuance OmniPage®
- Operator panel with backlit 3.5" LCD display, 1-touch function buttons, alphanumeric keypad
- Full QWERTY keyboard
- 50-sheet reversing automatic document feeder (RADF – scans both sides)
- ENERGY STAR® compliant
- Upgradable paper capacity with 530-sheet second tray

Everything the small workgroup requires –

The MPS4200mb from OKI is a Mono MFP that combines black & white printing and copying, color/mono scanning with scan-to capabilities, and analog faxing. This affordable, compact, networked MFP lets you produce professional-looking documents—with productivity-boosting speeds and budget-enhancing efficiency.

The MPS4200mb delivers up to 42 clear, sharp prints per minute (ppm)—with the first printed page in as fast as 5 seconds—and up to 40 copies per minute (cpm).¹ To help you control costs, it comes with duplex (2-sided) printing/copying standard, so you can save paper and energy. And, for ongoing savings, its 2-piece consumables configuration lets you replace just a toner cartridge when you need to, instead of the toner cartridge *and* the image drum.

Sharing files and documents is a snap –

Place your document on the flatbed platen or in the 50-sheet reversing automatic document feeder (RADF) and scan it in color or black & white. Save and send the electronic version to a folder on your PC, the network or FTP site, as an attachment to an e-mail address, or as a fax.

The MPS4200mb also offers robust fax features, including Internet (T.37) faxing, one-touch dialing, distinctive ring, broadcast faxing, and LDAP support. And it has an Auto Delivery feature that routes all incoming faxes to a folder or to specified e-mail addresses.

Document management made easy –

Among the utilities that come standard with the MPS4200mb are PaperPort® and OmniPage® by Nuance®. PaperPort is the industry-leading, award-winning software that will enable you to easily organize your scanned files, further enhancing your productivity. With its intuitive, thumbnail-based interface, PaperPort lets you save any scanned document in a PDF or JPEG format, and quickly make it available for archiving or sharing.

The feature-rich OmniPage converts scanned documents and PDF files into editable file formats used by applications such as Microsoft® Word, Excel®, Adobe® Acrobat® or HTML files.

Further enhance your productivity –

With standard multi-tasking functionality, the MPS4200mb enables you to perform several simultaneous tasks, such as scanning a document while the unit is printing, or printing a document during fax communications...²

It also has a Job Macro function (accessible right on the operator panel) that records and instantly recalls frequently used tasks and settings—automating them for increased productivity and efficiency.

¹ Published performance results based on simplex printing of letter-size sheets in laboratory testing. Individual results may vary.

² Multiple tasks are completed automatically in order, not necessarily simultaneously.

Take control of your productivity, office security and your bottom line with this compact desktop MFP.

Print while on the go – More and more, users are looking to increase their productivity by not having to wait to be back in the office to print and share essential documents. The MPS4200mb enables them to be more efficient than ever. It's compatible with mobile printing applications through its network connectivity.

Control the way your MFP is used – The MPS4200mb allows an administrator to grant or restrict access to individuals or groups of users. Simply assign individual PIN identification codes to your personnel, according to their privileges: print, copy, scan-to-email or network folders and

transmit faxes. They can unlock the restricted functions—with your permission—by entering their PIN codes into the machine's control panel.

Improve your bottom line and the environment – The MPS4200mb delivers cost-effective operation as well as an exceptional return on your investment. Its outstanding reliability and long-lasting consumables help you control operating costs and improve productivity:

- Support one device rather than several
- Stock fewer replacement supplies
- Reduce user interventions

The MPS4200mb has earned ENERGY STAR® compliance from the U.S. Environmental Protection Agency. It has a Deep Sleep mode that uses less than 3 watts of electricity during short periods of inactivity, and will even shut itself off after a minimum of 4 hours¹—so you use less energy (and pay less in energy costs).

In addition, this MFP is designed with 2-piece, cost-efficient consumables—including a high-capacity 12,000-page toner cartridge.² So your investment just keeps looking better and better.

The MPS4200mb Mono MFP from OKI.
Performance, flexibility and savings—all in one.

MPS4200mb at a Glance:

Back-lit 3.5" LCD display flips up for easy reading

MPS4200mb Operator Panel

1-Touch key panel flips up for QWERTY keyboard

Scan-to PC, network folder, FTP, HTTP, USB memory, e-mail and fax

Print/Copy/Scan/Fax functionality

Up to 1200 x 1200 dpi print resolution

Toner capacity up to 12,000 pages³

100-sheet multi-purpose feeder

Prints banner sheets up to 8.5" x 52"

Optional 530-sheet 2nd Paper Tray

50-sheet reversing automatic document feeder (RADF) scans both sides of the page

Single-sheet flatbed scanner

Up to 80,000-page monthly duty cycle

Print speed up to 42 ppm and copy speed up to 40 cpm¹

4 GB SD memory card, standard

250-sheet internal paper tray, standard

¹ Power Save button must be pressed to awaken unit from Deep Sleep mode; Auto Power Off is user-configurable (4-hour default).

² Estimated life based on ISO/IEC 19752.

³ Published performance results based on simplex printing of letter-size sheets in laboratory testing. Individual results may vary.

MPS4200mb

Specifications

Printer

- **Print Speed:** As fast as 42 ppm¹
- **Duplex Print Speed:** As fast as 20 ppm¹
- **Time to First Page:** As fast as 5 seconds¹
- **Warm-Up Time:** As fast as 25 seconds from Power Save mode
- **Print Resolution:** Up to 1200 x 1200 dpi
- **Processor Speed:** 330 MHz
- **Duty Cycle:** Up to 80,000 pages/month
- **Recommended:** 500–4,000 pages/month
- **Emulations:** PCL[®] 6, PCL 5e; IBM[®] PPR; EPSON[®] FX; PostScript[®] 3[™]; PDFv1.7
- **Operating Systems:** Windows[®] 7 (32/64-bit), Vista[®] (32/64-bit), XP (32/64 bit), Server 2008 (32/64-bit), Server 2008 R2 (64-bit), Server 2003 (32/64-bit); Mac OS X 10.4.0 – 10.7.2; Linux
- **Connectivity:** 10/100 Base-TX Ethernet; USB 2.0 (Device and Host)
- **Duplex (2-Sided) Printing:** Standard

Copier

- **Copy Speed:** As fast as 40 cpm¹
- **Time to First Copy:** As fast as 10 seconds¹
- **Copy Resolution:** Up to 600 x 600 dpi
- **Copy Scaling:** 25% to 400%
- **Copy Quantity Selection:** 1–99
- **Duplex (2-Sided) Copying:** Standard
- **Copy Functions:** ID Copy; Collate; n-Up; Mixed originals; Edge erase

Scanner

- **Scan Type:** Color CIS
- **Document Input:** 50-sheet Reversing Automatic Document Feeder (RADF); Single-sheet flatbed scanner
- **Scan Speed:** As fast as 1.6 sec./page Black & White; as fast as 6 sec./page Color¹
- **Scan Resolution:** 600 dpi
- **Scan-to:** Folder (CIFS), E-mail (with LDAP support), FTP, TWAIN, WIA, HTTP, USB memory, Application with Actkey software
- **Color Scan Depth:** Input 48-bit, Output 24-bit
- **Contrast Adjustment:** 7 levels

Fax

- **Fax Modem:** 33.6 kbps Super G3
- **Connectivity:** RJ11 x 2 (Line/Tel), PSTN, PBX Line
- **One-Touch Dials:** 16 (8 x 2 using Shift key)
- **Speed Dials:** Up to 100 locations; 20 groups
- **Broadcast Dials:** Up to 100 locations using pre-programmed numbers
- **Auto Delivery:** Routes all incoming faxes to folder or specified email addresses
- **Fax Memory:** 4 MB (approx. 200 pages²)

- **Fax Functions:** Fax from PC; Fax to email; Fax to fax server; Internet Fax (T.37); Transmit – from memory, manual; Auto redial; Receive – auto, to memory, manual; Dual access; Delayed transmit; Broadcast; Auto Fax/Tel switch; Distinctive ring detection; Time/Date stamp

Address Book

- **E-mail and Fax:** LDAP, 100 E-mail addresses, 20 group addresses

Utilities

- **Document Management:** Nuance[®] PaperPort[®] SEv11 and Nuance OmniPage[®] SEv15¹
- **Printer/Job Management:** OKI PrintSuperVision and Job Accounting software

Memory

- **System Memory:** Standard/Max 256 MB RAM; standard 4 GB SD Memory Card

Operator Panel

- **Features:** 3.5" backlit LCD display; 1-Touch function buttons; Alphanumeric keypad; QWERTY keypad

Paper Handling

- **Standard Capacity:** 250 sheets + 100-sheet Multipurpose Feeder
- **RADF:** 50 sheets
- **Max Capacity (with optional 2nd Tray):** 880 sheets, 10 envelopes
- **Paper Sizes:**

Multipurpose Feeder: 3" x 5" SEF up to 8.5" x 52" banner, com-10, com-9, C5, C6, DL and Monarch envelopes; **Tray 1:** Letter, Legal 14"/13.5"/13", Executive, Statement, A4, A5, A6, B5 (JIS); **Optional Tray 2:** Letter, Legal 14"/13.5"/13", Executive, Statement, A4, A5, B5 (JIS); **Duplex:** Letter, Legal 14"/13.5"/13", Executive, A4, B5 (JIS); **RADF:** Letter, Legal 14"/13.5"/13", Executive, A4, A5, B5 (JIS); **Platen Glass:** Letter, A4, A5, B5 (JIS)

Paper Weight:

Multipurpose Feeder: 16 lb. bond – 90 lb. index (60–163 gsm); **Tray 1/Optional Tray 2/Duplex:** 16 lb. – 32 lb. bond (60–120 gsm); **RADF:** Simplex 16 lb. – 28 lb. bond (60–105 gsm); Duplex 16 lb. – 24 lb. bond (60–90 gsm)

Security

- **Advanced:** IP and MAC filtering; SSL/TLS, EAP (IEEE802.1X), IPsec
- **Secure Print:** PIN or password protection

Options

- **Features/Accessories:** 530-sheet 2nd Paper Tray; 16 GB SD Memory Card; Foreign Device Interface

Supplies

- **Toner Cartridge:** 12,000 pages⁴
- **Image Drum:** 30,000 pages⁵
